From

The Accountatn General,

To

The Secretary to Government,
Rehabilitation Deprtment, Bombay.

Subject: Reimbursement of Expenditure involved in the administration of evacuee interest (Separation) Act. 1951.

Sir,

I have the honour to invite a reference to the Government of India Ministry of Rehabilitation letter No. 82(11)/51-Prep dated 16-4-52 and to state that the expenditure on the establishment of the competent officer is recoverable from the Government of India in the manner prescribed therein. At present the expenditure is being booked under the sub head "A" Custodian of Evacuee Property" subordinate to the minor head "M-Expenditure on Displaced persons" as ordered by Government from time to time. As the amount is fully recoverable from the Government of India it appears necessary and advantageous to book it separately so as to enable this office to carry out necessary adjustment for reimbursing the expenditure to State Governemnt in its entirety. It is, therefor, suggested that a separate detailedhead together with a "deduct" head may be opened and the expenditure on the establishment of competent officer be ordered to be debited to that head in future.

2. It is presumed that the orders is issued by the State Governement in connection with the Administration of Evacuee Interset(Separation) Act 1951 have received concurrence of the Government of India as mentioned in para 2, of the Governement of India letter under reference.

Yours faithfully.

"D" Branch.

The A.G's letter on p.i ante, is self explanatory and it is very desirable to open a separate detailed head so that expenditure on the Competent Officer and his staff is recorded separately. The point that needs to be decided is under what sub-head should the detailed head be opened. The expenditure is at present being booked under the head "A"-Custodian of Evacuee Property". As the Administration of Evacuee Interest (separation) Act, 1951, is also an outcome of the implementation of the Administration of Evacuee Property Act, it would be proper to debit the expenditure to the same sub-head. But with a view to seeing that the expenditure on the administration of the two Acts is not mixed up, it would be necessary to open two detailed heads under the Sub-head "A-Custodian of Evacuee Property somewhat as follows:-

A-Custodian of Evacuee Property.

(i) Expenditure in connection with the Administration of Evacuee Property Act, 1950

Pay of Officers,

Pay of Establishment.

Allowances and Honoraria

Contigencies.

Deduct Expenditure Recoverable from the Govt

(ii) Expenditure in connection with the Administration of the Evacuee Interest (Separation) Act, 1951.

Pay of Officers.

Pay of Establishment.

Allowances and Honoraria.

Contingencies.

Deduct Expenditure Recoverable from the Govt. of India.

The A.G. may see u.o. with a request to say if he agrees with the suggestions made above. Orders.

modifying those issued in G.R. HHD, No.R.126-D dated the 16th September, 1949(in which sub-heads and detailed heads under the minor head "M-Expend -ture on Displaced Persons' were prescribed), will be issued in the light of the A.G.'s remarks after showing the pps. to F.D. The A.G.may be requested to treat this as urgent.

Seen and returned with compliments to the Secretary to the Government of Bombay, Rehabilitation department, Bombay.

2. At present the expenditure in connection with the Administration of Evacuee Property Act 1950 is being recorded under the sub-head "A" -Custodian of Evacuee Property" under the minor head "H-Expenditure on Displaced Persons." The detailed heads under this sub-head are as follow:-

A-1 Pay of officers.

A2- Pay of Establishment.

A3- Allowance and Honoraria -
a) Travelling Allowance.
b) Dearness Allowance.
c) House rent and other allowances.

A- 4 Other charges.
a) Telephone Charges.
b) Service postage and Telegrams
c) Office Expenses - Miscellaneous.

3 A As however, the expenditure on the office of the Competent Officer created for the Administration of the Evacuee Interest (Separation) Act 1953 is likely to be considerable, and is recoverable from the Government of India, a new head namely " H-Expenditure in connection with the Administration of the Evacuee Interest (Separation) Act 1951" with detailed heads similar to those under the sub-head "A -Custodian of Evacuee Property" as in para 2 above , under the Minor head "H-Expenditure on Displace persons will be suitable to record such expenditure.

b) A coparate sub-head "Deduct-Recoveries,be opend below the new sub-head to record recoveries from the Government of India. The sub-head under "A - Custodian of Evacuee property is not necessary at this stage as these are to be treated as revenue.

5. It is proposed that this expenditure can be service are han not be approval of the

legislature. In that case the expenditure will have to be met by an advance from the contingency Fund, which may be subsequently recouped by obtaining a supplementary token grant.

Incidentally it may be stated that the following heads have been shown in the Civil Budget Estimates for 1952-53(p.919)under the Sub-head "A-Custodian of Evacuee Property."

A 4. Contingencies.

i) Miscellaneous ex ensas.

(ii) Miscellaneous expenses. Service Postage & elegrams.

iii) Rents, rates and Taxes

as against following heads sanctioned under G.R Rehabilitation Department No. R.126 dated 10-3-1949.

A.4 Other Charges.

a) Telephone Charges.

b) Service Postage & Telegrams.

c) Office Expenses-Miscellaneous

orders sanctioning revised classification have been received in this office. The discrepancy please be clarified.

The presumption made in this office letter No. DAXVII-TC-I-1185 dated 11-6-52. may please confirmed early.

Rep/22/8

Rehabilitation Department.
D Branch.

The A.G.'s suggestion in para. 3 of his foregoing note may be accepted. The accompanying draft G.R. may issue after u.o.r. to the F.D.

2. As regards the point in para 4 of the A.G.'s note, although it is true that it is an expenditure on a new service, the expenditure is being met by reappropriation of savings from the sub-head 'B-Other attached and sub-offices' and a token supplementry demand will be obtained in due course. Incidentially, it is not clear how in case the expenditure were to be met by withdrawal from the contigency fund, it can be clamped by a 'token supplementary demand. Presumably, what the A.G. means is a supplementary demand for the full amount. In any case, as this point does not arise at all in view of the fact that the expenditure is being met by utilisation of savings under another sub-head, it need not be pursued further.

As regards para 5 as the point raised therein is not material to the present propsal the question will be considered later after issue of the accompanying orders.

The presumption in para 2 of the A.G.'s letter on page 1 ante is correct.

Finance Department.

It seems that no provision has been made in the current years Budget on account of the expenditure on the office of the Competent officer and the Expenditure is considerable viz. over Rs5,000 (recurring) it should be brought to the notice of the L.A. by means of a Supplements demand. As however the whole expenditure can be met from saving under "57-Misc" it is not necessary to resort to the withdrawal from the Contingency Fund and it may also be pointed out that as the whole expenditure is recoverable from the Government of India the net liability is to be borne by this Government is nil. In view of this only a token demand in this respect is quite sufficient

2. The draft orders will be applicable in respect of the land estimates for the 1953-54 and revised estimates for 1952-53 and it is presumed that the Rehabilitation Department will take steps to see that the revised estimate and the budget estimates in question are submitted to this Department in the approved form.
